

Packing Checklist

Keep in mind that the space in the cabin is limited. A suitcase is not suitable as it takes up too much space, instead it is suggested to bring a soft bag and/or backpack, which you will need also for the excursions on land.

Please tick the boxes below, as you organise yourself

TRAVEL DOCUMENTS

Passport
Travel insurance
International health insurance
Drivers license

MONEY

Credit Cards
Cash
Money for the "yacht- kitty" in cash

HYGIENE PRODUCTS

Wash bag with personal toiletries, shower gel and shampoo (biodegradable)
Body moisturiser/lip balm
Sun cream/sun blocker (no sun oil - makes the deck slippery)
Feminine hygiene products incl. disposal bags
Detergent (biodegradable)

SHOES

Fast drying sneakers for sailing with white rubber soles are important when sailing to have a good grip and avoid scratches and marks
Shoes to go on shore
Hiking boots
Plastic slippers or flip- flops (for Marina showers)

CLOTHING

Swimwear & beach towel (fast drying)
Sunglasses (best with polarizing lenses against the reflections on the water)
Fleece jacket or sweater
Shorts
Pants/Trousers or Jeans (long)
Hiking pants/trousers with removable leg part
Waterproof sailing jacket
Cap /Hat
Sailing gloves or cycling gloves with half fingers
T-shirts
Sleeping clothes
Socks
Underwear
Functional clothing is usually a good choice because it dries faster and is lighter.

OTHERS

Phone, including charging USB cable and waterproof case
Camera with enough memory cards and batteries
Binoculars
Ear plugs (the unusual sounds of a marina can disturb your sleep)
Board games & card games
Flashlight or Headlamp (do not forget batteries/spare bulb)
Plastic bags for dirty clothes
Medicine (in addition to personal medication, medicines for eventual seasickness, please inform the crew about special ailments)
